Bagasse Based Particle Boards

We, at Lavis Signature, strongly believe that the only way to sustain our growth is through constant re-invention. We invest a lot on this on going process.

The Signature brand has gone through an evolution in the past and is today one of the top most brands in the country.

Signature's well-balanced range continues to be the preferred choice in a large number of prestigious Furniture Projects - be it a commercial or residential interior. It is, in fact, the First Choice of almost every leading furniture manufactures across the country due to its trend setting designs & exciting Texture Finishes. It is a 100% eco-friendly product.
